

The Impact of Sport Premium Funding On PE and Extra-Curricular Physical Activity at Chad Vale Primary School Annual Review 2015-16

In 2015-16 Chad Vale School continued to use the Sport Premium Funding to employ a full time Specialist PE Teacher and PE Co-ordinator. The funding provides approximately one third of the co-ordinator's salary, with the school paying the remaining two thirds from their staffing budget.

The PE Co-Ordinator is employed to plan, deliver and assess progress made in PE throughout the school. In addition to overseeing the delivery of the PE curriculum, the PE Co-Ordinator is also responsible for managing the PE budget (£1000), the provision of extra-curricular sporting opportunities through pre and post-school clubs and participation in competitive sporting activities. The PE Co-ordinator also oversees the running of the School Inter Form (Level 1 games) Sport Competition.

The PE Co-Ordinator has now undertaken the additional role of Lunch Time Co-ordinator, in an attempt to increase the number and range of organised physical activities on offer during the children's lunch break.

Having secured the Sainsbury's School Games Silver Award in 2014-15 the school is looking to further demonstrate their commitment to high quality PE and participation in competitive sport in 2015-16 by achieving the Gold award.

Curriculum

In accordance with the requirements of the new PE curriculum the PE Co-ordinator created a timetable that enables every Chad Vale pupil to take part in 2 hour of Physical Education per week. A minimum of 88% of this timetable was delivered by subject specialists (56% by the PE Co-Ordinator themselves), whilst remaining 12% of PE lessons were delivered by class teachers, who were supported with their planning, delivery and assessment by the PE Co-ordinator. This was done to ensure that all pupils consistently receive the highest quality of teaching in their PE lessons. Formal lesson observations of the PE Co-Ordinator undertaken by the School's Deputy Head Teacher (16.10.15) confirmed that the Co-Ordinator consistently delivers 'Outstanding' PE lessons. The Co-Ordinator also undertook formal observations of PE lessons delivered by Chad Vale Staff (3.11.15), This observations indicated that the teacher was delivering below the 'Good' level expected of all lessons. As a result the PE Co-ordinator assisted the teacher with their planning and approach differentiation. They team taught lessons together and less formal 'drop in assessments' indicated that the quality of teaching had improved as a result of this support. The teacher also stated that they felt more confident in their subject knowledge and ability to deliver PE sessions following due to the support offered.

In addition to PE lessons delivered by Chad Vale staff the PE Co-ordinator also arranged for swimming instructors from Blue Coat School, football coaches from Aston Villa FC, tennis coaches from Priory Tennis Club and Primary Sports Coaches form Premier Sport to deliver lessons across KS1-1. Using these coaches and instructors enabled Chad Vale teaching and support staff to work

with and observe specialists delivering PE sessions, further developing their own subject knowledge and confidence in delivery PE.

School Sports Clubs

The PE Co-Ordinator leads a staff of four who delivered a range of extra-curricular sports clubs throughout the year. The co-ordinator also liaised with a number of external sport providers to ensure that the school provided children from Reception – KS2 with a range of extra-curricular physical activities to engage in.

School clubs are inclusive and designed to give Chad Vale pupils the opportunity to live a healthy and active life style, try new activities, develop a range of sporting and life skills and show case their talents. Many clubs are free of charge and Pupil Premium students are provided with free places at clubs where a fee is involved.

Following it's successful introduction last year the school has continued to run breakfast clubs, in addition to the after school clubs. The table below illustrates the range of activities that Chad Vale pupils took part in during extra-curricular sport clubs in 2015-16:

Term	Activities
Autumn 15	Multi Skills (Y1-3) Football (Y3-4,Y5-6) Dance (Y1-2) Fencing (Y3-4) Lets Get Fizzical (Y4)
Spring 16	Multi Skill (Reception, Y1-2) Football (Y3-4, Y5-6) Try Golf (Y1-6) , Archery (Y3-4)

New Activities in 2015-16.

Despite losing access to the Dance Studio for extra-curricular clubs in 2014-15 the numbers of pupils taking part continued to grow, as highlighted in the table below:

Average Number of Pupils Taking Part in Extra Curricular Clubs Each Week

Autumn '13	Spring '14	Summer '14	2013-14
104	119	86	103
Autumn '14	Spring '15	Summer '15	2014-15
122	137	101	120
Autumn '15	Spring '16	Summer '16	2015-16*
146	109	NA	128

*Numbers as of April 2016

Extra-curricular Sports participation figures have continued to grow with more children taking part in clubs each week since we started keeping attendance records.

Competitive Sport

In accordance with the new PE curriculum, increased participation in extra-curricular sport was one of the PE Co-Ordinator's key Performance Management objectives for 2015-16. The Inter Form Sport Competition (Level 1 Games) has grown this year. In addition to weekly fixtures played on a Wednesday afternoons, pupils now compete in Level 1 Games during Thursday lunchtimes. As a

result pupils now compete in 11 different sporting events (Football, Basketball, Benchball, Handball, Volleyball, Dodgeball, Hockey, Tennis, Kwick Cricket, Rounders and the School Games Day), compared to 9 events in 2015-15.

Level 1 Games enabled 100% of pupils (who attended Chad Vale for the entire school year) from Y2-6 to take part in a minimum of 3 competitive intra school sporting activities. Prior to 2014-15 the only intra school sporting activity organised at Chad Vale was the Sports Day held once a year.

In 2015-16 Chad Vale has maintained it's commitment to inter school competitive sporting activities (Level 2/3 Games). By continuing to participate in the Level 2 and 3 Inter School Games program run through the Shenley Partnership, in addition to the other organised sports competitions, Chad Vale have been able to field KS2 teams in 8* different sports. As a result 102* KS2 pupils took part in inter school competitive sport. This equates 49%* of the KS2 cohort. The tables below illustrate the number of competitive inter school sporting events that Chad Vale pupils took part in in 2015-16. With a number of Level 2/3 Games & Inter School Tournaments scheduled to be played during the Summer term this figures will increase significantly.

Throughout 2014-15 Chad Vale teams achieved a number of successes. The Y4 Gymnastics Team won the regional Level 2 competition, qualify for the Level 3 School Winter Games. The team eventually finished 5th in the overall Birmingham Games Competition. The Y4 hockey team won the Hollywood Partnership Tournament and the Y4 Football team also won the Four Dwellings Football Tournament.

Sporting Partnerships

Partnerships with local clubs and schools are an essential part of developing Primary PE and sport. It affords the pupils greater access to specialist coaching and equipment, increases opportunities to participate in new activities and to compete against other children. Having built up a number of working relationships and partnerships over recent years the PE Co-ordinator was responsible for strengthening these relationships and forging new ones throughout the 2015-16 school year

Sports Partners	Impact on PE Curriculum	Impact on Extra-Curricular Sport
<i>Aston Villa FC</i>	AVFC coaches deliver PE lessons to KS1-KS2 Pupils	- School team invited to compete in the Premier League Schools Football Competition.
Blue Coat School	-All KS2 Class having swimming lessons @ BCS during PE lessons -All pupils able to swim 25m unaided CV at the end of Y6	-Invited to attend BCS local School swimming Gala 2016
Edgebaston Golf Club		-Deliver ASC for KS1 & KS2
Four Dwellings Academy		-Girls, boys & mixed teams invited to compete in 4DA hosted Tournaments. Y4 boys win their tournament
Harborne Academy	-Y5 attend masterclass sessions led by HA PE staff -Y6 use HA PE facilities for PE lessons on Wednesdays	-CV pupils compete in HA Tag Rugby & Rounders Tournaments
Harborne FA		-Participation in HFA League, Cup, Boys' Indoor Tournament & Girls' Indoor Tournament - CV pupils invited to district team trials

Hollywood Partnership		-Enable KS2 pupils to take part in Level 2 games. Y4 win Hockey tournament
Lordswood Girls School		-Y4 take part in sporting activities organised by LGS young Sports Leaders -LGS young sport leaders officiate events @ CV School Games Day
Perry Beeches Trust		-Invited to compete in inter school Dodgeball and Athletics competitions
Premier Sport	-Deliver bespoke PE sessions to the CV Nurture Groups	- Deliver extra-curricular Fencing, Archery & Golf Clubs -Invite Y3-4 teams to compete in Kwick cricket Tournament
Priory Tennis Club	-Free tennis coaching to Y1-3 pupils during PE lessons	- Free places offered to CV pupils at EALT Club Y1-2 pupils invited to Primary Tennis Tournament
Shenley Partnership		-Invite a number of KS2 A,B & C teams to compete in Level 2 School Games. Gymnastics team qualify for L3 games

New for 2015-16

Gifted and Talented/SEN PE

Working with Premier Sport, Chad Vale continued to provide bespoke PE lessons to Nurture Group pupils. These lessons were designed to develop the basic physical literacy that pupils were unable to achieve in mainstream PE classes. In addition to Nurture Group PE the PE Co-Ordinator liaised with the School SENCO to identify children struggling to meet their age related expectations in PE. These pupils undertook two weekly PE interventions with one of the school's specialist PE teachers where they worked on improving basic gross motor skills and hand to eye co-ordination.

Sports Leaders Roles

Increasing opportunities for leadership role in sport was one of the PE Co-Ordinator's key Performance Management objectives for 2015-16. As a result the role of Sports Captain in each class, from Y2-6, was introduced. Pupils were invited to apply for the position and deliver a short speech/presentation to the class explaining why they felt they were a suitable candidate to for the job. The class then held a vote and elected their Captain for the year. The role of the Sport captain is to select the players for each of the Level 1/Inter Form Sport fixtures that their class takes part in, ensuring that every pupil takes part in at least three events during the school year. The captains are also expected to lead their teams warm ups (if not led by a Sports Leader). If a captain didn't select themselves to play they were invited to attend the fixture and act as the team 'Manager' overseeing substitutions and making sure everybody in the squad gets a chance to take part. As the Captains are often very able sportsmen/women they are encouraged to support their less able/experienced teammates and help organise team tactics and strategies.

Having learned how to play and officiate the sport in PE lessons all Y6 pupils have been encouraged to undertake a 'Match Official' role during a Level 1 / Inter Form Sport fixtures being played between Y2-5 classes throughout the year. Prior to the match Sports Leaders are expected to lead a suitable sport specific warm up, then would officiate and score the match taking place. G&T pupils from younger age groups, or with specific experience of a sport, are invited to be Match Officials for Y6 Level 1 / Inter Form Sport fixtures throughout the year.

In addition to this eight Y5 pupils were invited to attend a Play Leaders course run by Shenley Academy (7.3.16). They now undertake the role of 'Play Leaders' at Lunchtimes on the Reception/KS1 playgrounds. In this role they lead a variety of playground games and adapted L1 sports so our youngest pupils can enjoy taking part in structured physical activity each day.
