## Pupil Premium/Disadvantaged Pupils Outcomes 2015-16

There were 65 children eligible for Pupil Premium in 2015-16.

### Reading

Reading	Progress	ARE Comparison
All Pupil Premium	3.4	-0.2
Only Pupil Premium (-EAL/-SEN)	3.3	0.3
Pupil Premium (no EAL)	3.26	0
Pupil Premium (no SEN)	3.5	0.2
Reading (NOT Pupil Premium)	3.6	0.2
Pupil Premium EAL	3.8	0.2
Pupil Premium SEN	3.1	-1.1

- Pupil Premium children (without additional disadvantage markers) on average achieved expected age related expectations in reading.
- Pupil Premium children (without additional disadvantage markers) on average made more than expected progress.
- Pupil Premium SEN children, on average, made more than expected progress.
- Pupil Premium EAL children, on average, made more than expected progress and achieved age related expectations.
- 88% of PP children (57 pupils) individually made expected or more than expected progress in reading (+3.0TP or more).
- 38% of PP children individually (25 pupils) made more than expected progress in reading (more than 3.0TP)
- 37% of Pupil Premium children (24 pupils) also had additional markers for disadvantage (SEN or EAL or SEN+EAL)
- 70% of Pupil Premium (9 pupils) who did not meet ARE also had additional markers for disadvantage
- Pupil Premium children on average were 0.4TP behind non pupil premium children for attainment. This equates to approximately 3/4 weeks behind.
- Pupil Premium children, on average, were 0.2TP behind non pupil premium children for progress. This equates to approximately 1/2 weeks behind.
- 100% of Pupil Premium children met standard for Y1 Phonics Check in 2016
- 100% of Pupil Premium children met standard for Y2 Phonics Re-check in 2016
- 89% of Pupil Premium children (8 out of 9) met standard for Reading in 2016 Y6 SATS

## Writing

Writing	Progress (TP)	ARE Comparison
All Pupil Premium	3.4	-0.3
Only Pupil Premium (-EAL/-SEN)	3.4	0.1
Pupil Premium (no EAL)	3.3	-0.2
Pupil Premium (no SEN)	3.5	0
Writing (NOT Pupil Premium)	3.8	0.8
Pupil Premium EAL	3.6	-0.3
Pupil Premium SEN	3	-1.8

- Pupil Premium children on average achieved below age related expectations in reading.
- Pupil Premium children on average made more than expected progress.
- 88% of PP children (57 pupils) individually made expected or more than expected progress in reading (+3.0TP or more).
- 38% of PP children individually (25 pupils) made more than expected progress in reading (more than 3.0TP)
- 37% of Pupil Premium children (24 pupils) also had additional markers for disadvantage (SEN or EAL or SEN+EAL)
- 70% of Pupil Premium (9 pupils) who did not meet ARE also had additional markers for disadvantage
- Pupil Premium children on average were 0.4TP behind non pupil premium children for attainment. This equates to approximately 3/4 weeks behind.
- Pupil Premium children, on average, were 0.2TP behind non pupil premium children for progress. This equates to approximately 1/2 weeks behind.
- 100% of Pupil Premium children met standard for Y1 Phonics Check in 2016
- 100% of Pupil Premium children met standard for Y2 Phonics Re-check in 2016
- 89% of Pupil Premium children (8 out of 9) met standard for Reading in 2016 Y6 SATS

## Maths

Maths	Progress (TP)	ARE Comparison
All Pupil Premium	3.3	-0.1
Only Pupil Premium (-EAL/-SEN)	3.1	0.2
Pupil Premium (no EAL)	3.1	-0.1
Pupil Premium (no SEN)	3.2	0.1
Reading (NOT Pupil Premium)	3.4	0.1
Pupil Premium EAL	3.6	0.1
Pupil Premium SEN	3.6	-1.3

- Pupil Premium children (without additional disadvantage markers) on average achieved expected age related expectations in Maths.
- Pupil Premium children (without additional disadvantage markers) on average made more than expected progress in Maths.
- Pupil Premium SEN children, on average, made more than expected progress in Maths.
- Pupil Premium EAL children, on average, made more than expected progress and achieved age related expectations in Maths.
- 80% of PP children (52 pupils) individually made expected or more than expected progress in Maths(+3.0TP or more).
- 32% of PP children individually (21 pupils) made more than expected progress in Maths (more than 3.0TP)
- 37% of Pupil Premium children (24 pupils) also had additional markers for disadvantage (SEN or EAL or SEN+EAL)
- 65% of Pupil Premium (11 pupils) who did not meet ARE in Maths also had additional markers for disadvantage
- Pupil Premium children on average were 0.2TP behind non pupil premium children for attainment in Maths. This equates to approximately 1/2 weeks behind.
- Pupil Premium children, on average, were 0.1TP behind non pupil premium children for progress in Maths. This equates to approximately 1 week behind.
- 89% of Pupil Premium children (8 out of 9) met standard for Maths in 2016 Y6 SATS

### Targets for next year

- Ensure interventions are mapped in SPTO so that impact of individual interventions can be tracked
- Ensure all children eligible for pupil premium have at least one intervention, including the most/more able
- Create Pupil Premium Strategy that outlines rationale, barriers and strategies for raising aspiration and outcomes for pupil premium children.
