THINK before you PARK!

Thank-you to all of our parents and carers who have been parking safely and legally around the school site. As you will be aware, parking outside our school (and all other Harborne schools) is an ongoing issue and we continue to remind Chad Vale parents to make good choices when they park up outside our school.

The main issues of concern for us in school are:

1. **Illegal parking/dropping off children on double yellow lines or the white keep clear zig-zags**
2. **Inconsiderate/illegal parking on the pavements around school preventing parents with buggies or prams from walking safely on the path**
3. **Inconsiderate blocking of local residents drives during pick-up and collection times (2 residents on Nursery Road are emergency doctors and need to be able leave their houses quickly during an emergency call)**
4. **Driving or parking cars on the school drive**

We have had extensive discussions over the years with the local police, the parking enforcement teams of the local authority, our local residents and our own children and parents, who all agree that, although the vast majority of our Chad Vale parents park safely and legally, there remains a small minority of parents/carers who continually flout the rules, apologise, but go on to repeat this every day. This is highly frustrating for everyone involved. **We do not want a serious accident where a Chad Vale parent or child gets injured or killed due to poor or dangerous parking.**

Over the next few months you will be seeing an increase in activity around school linked to safer parking. You will receive a leaflet today in your child's bag entitled 'Cars and Kids Don't Mix'. Please take some time to read this. We'll be carrying out our

own parking patrols around the school gates and there will be an increased presence from traffic wardens and the police. We'll also be talking to the children about reminding you to park safely and legally and to think, before you park.

We positively encourage different ways of travelling to school and would like to see more use of our bike and scooter sheds. Over the next month we'll be carrying out some surveys with the children in order to create a brand-new school travel plan that we hope will help to identify other ways to improve this issue for our school community.

CHAD VALE ARTIST IN RESIDENCE
ROYAL COLLEGE OF ART ALUMNA

TEREZA BUSKOVA

WORKSHOPS FOR CHILDREN

Beginning November 2017 Tereza Buskova (MA Fine Art, RCA) will be Chad Vale's artist in residence. After school she will deliver a series of workshops to encourage a fresh perspective on art. Each week the children taking part will explore the works of a different major artist to inform their creation of new piece in every workshop. This is a rare opportunity to have fun and learn under the tuition of a successful contemporary artist. The term time classes are kept small to allow Tereza to get to know all the children well.

IMPORTANT INFORMATION:

- Workshops start 15.30 and end 16.45
- Total number of workshops is 6
- Frequency of workshops is weekly
- Tuesday workshops for YEAR 3 & 4 begin 3rd of November and end 7th of December 2017
- Wednesday workshops for YEAR 1 & 2 begin 4th of November and end 8th of December 2017

PRICING

- £7 per class (1hour 15 min)
- All materials provided
- Payment in advance for total series of 6 workshops to be made at school office up to 1 week before the first workshop (Accepting cash or cheques to Tereza Hurlow)
- Limited spaces (13 children per class) first come, first served basis

Harvest Thanks!

Thank-you so much for all of the kind donations for our Harvest Festival. We donated a car-full of food today to Birmingham Central Foodbank in Hockley, who were very happy to receive such a generous donation.

Mud, mud, not so glorious mud...

We are aware of the growing mud issue on the field and are working to improve this situation by making changes to the playtime and dinnertime rotas and cordoning off certain areas outside so that children are not coming home caked in mud! We apologise if you and your washing machines have been affected by this problem.

Some children have been bringing wellingtons and changing into these for playtimes– this is a great idea at the moment! We'd also like to remind parents that children are more than welcome to change their smart school shoes just before dinnertime into old trainers that are ok to get muddy.
